MBS will accept returns on all stocked products within 30 days of the original purchase if the product is returned to the branch where the product was purchased, the buyer has the original receipt, and the product is in re-sellable condition. MBS will invoice all special orders and "made to order" products for all customers on account after 90 days from date of receiving products in from the manufacturer. COD accounts will forfeit any deposit or claim to the special orders and "made to order" products if not paid in full AND taken possession of said product AND will be responsible for the remaining balance owed after 90 days from date of receiving product in from the manufacturer.
